اختبار في مادة الإنجليزية (لغة أجنبية ثانية)

SECTION ONE : READING COMPREHENSION (07 points)

Read the passage carefully then answer the questions .

Cities and towns are growing quickly in the context of deteriorating urban environment . Environmental degradation includes industrial pollution from motor vehicles , limited and contaminated water supplies , deficiencies in solid waste management and inadequate sanitation , sewage and drainage . The urban poor are particularly affected , since they often establish communities on sites such as hillsides , garbage dumps and swampy areas and near sources of industrial pollution that are unsuitable for human settlement .

Overcrowding , high population density and the absence of communal spaces and recreational facilities that characterize urban life , contribute to social conflict , particulary in low-income neighbourhoods . Stressful living conditions , complicated by such factors as male unemployment and substance abuse , account for increased levels of domestic violence . Violence is not confined to the home and is exacerbated by competition for scarce resources . Tensions are manifested in neighbourhood rivalries , which often take the form of ethnic conflict .
